PROFESSIONAL EXPERIENCE

Ownage Fiditech — Front end Web Developer
React.js, Vue.js, HTML, CSS, Javascript, TypeScript, Docker, Sitemap, Seo

July 2023 - December 2023

- *Spearheaded the design and implementation of user-centric web interfaces using HTML, CSS, JavaScript, and Vue.js.*
- *Enhanced application functionality by integrating RESTful APIs to fetch and display dynamic content, resulting in improved user interactions.*
- *Ensured optimal user accessibility through responsive web design techniques, achieving compatibility across devices and browsers.*
- *Actively contributed to team collaboration through effective use of Git and GitHub for version control.*
- *Collaborated closely with back-end developers to ensure seamless integration of web and app logic.*

Wetech Mentorship Program — Web Developer (Mentee)
React.js, HTML, CSS, Javascript, Material UI

February 2023 - June 2023

- *Developed responsive and optimized web applications using React.js, HTML, CSS, and Material UI, contributing to seamless user experiences.*
- *Demonstrated adaptability by swiftly learning new tools and frameworks as required by project demands.*
- *Incorporated mentor feedback to refine code quality and enhance user experience, showcasing commitment to continuous improvement.*
- *Actively pursued ongoing learning opportunities to stay updated with industry best practices and emerging front-end technologies.*

Sirinu Token — Web developer (Contract)
HTML, CSS, JavaScript

September 2022 - November 2022

- *Played a part in developing and refining front-end architecture, optimizing performance and scalability of web applications.*
- *Participated in performance optimization efforts, analyzing and refining code for faster load times and improved user interactivity.*
- *Developed responsive and mobile-first web applications, ensuring adaptability to various screen sizes.*
- *collaborated, communicated, and coordinated with other developers to achieve project goals.*
